Senior UX/UI and Product Designer with 5+ years creating user-centered digital products that turn complex challenges into simple, meaningful experiences. With a background across art and culture, transportation, entertainment, banking, and emerging technologies, I bring a broad perspective on how people interact with products across industries. Focused on end-to-end design, design systems, and user research. Seeking a Senior UX/UI Designer or Senior Product Designer role, remote, for companies in the US, Canada, Europe, and LATAM.

Experience

Veevart (2022 -2026)

Responsible for leading the end-to-end UX/UI design of the company's products, the transformation of legacy platforms into a unified and scalable ecosystem, the design system, and establishing a user-centered culture within product decisions.

- Lead UX/UI Designer

2025 - 2026, COLOMBIA

Achievements:
 - Increased product adoption by 40% and reduced onboarding time by 15% within 4 months of launch, directing the end-to-end transformation of 5 legacy platforms into a unified ecosystem.
- Senior UX/UI Designer

2024 - 2025, COLOMBIA

Achievements:
 - Built a 120-component design system that reduced design-to-handoff time by 70% and enabled the team to ship features up to 10x faster with consistent standards.
- UX/UI Designer

2022 - 2024, COLOMBIA

Achievements:
 - Introduced Design Thinking and a user-centered culture, positioning UX as a strategic part of product decision-making.
 - Accelerated the on-site sales process at Points of Sale by more than 35% by redesigning 5 key product workflows across subscription acquisition, ticket sales, and inventory management.

BluePixel (2021- 2022)

Responsible for designing and delivering digital experiences for startups across transportation, logistics, entertainment, and emerging technology, translating complex business challenges into scalable products and meaningful customer experiences.

UX/UI Designer

2021 - 2022, MÉXICO (Remote)

Achievements:

- Designed solutions for 5 transportation and logistics companies serving thousands of customers worldwide, addressing operational and customer needs across their digital ecosystems.
- Increased user engagement and retention by 5–15% in entertainment products.
- Contributed to scaling customer bases by up to 120% in emerging-technology products, supporting rapid growth and market expansion.

Education

- Bachelors Degree in Interactive Media Design (Cum Laude) · 2021 · Icesi University, Cali, Colombia
